

## Gordon Signy Application Checklist

Application form complete and signed

Pay particular attention to the *proposed training and relevance for your country*.

Be sure to complete Part D of the form and disclose other sources of support AND the amounts. If no other sources of support, put "NONE".

Curriculum vitae complete

The Gordon-Signy Regents realize some of information in your CV may be the same information required on the submission form, but ask you to bear with us and provide the information in both places.

Copies of Medical School Diploma, Certificate of Pathology Training

Letter of Recommendation from Pathology Training Program

Letter of Training Director Acceptance

Copy of passport photo page

Only if you are living in a country not your own at the time of the application.
